

2018 #5: Comparing Graphs

NAME _____

The following histograms summarize the teaching year for the teachers at two high schools, A and B. Teaching year is recorded as an integer, with first-year teachers recorded as 1, second-year teachers recorded as 2, and so on.

1. Think by yourself: how do these graphs compare?

In your groups, answer these questions:

2. What do you notice about these two graphs?

3. What do you wonder about these two graphs?

4. What questions could be answered with these graphs?
